

2022 Beginning of Season Quotas for Players that played at least one quota event during the 2021 season

A Division quotas of 25 or higher

B Division quotas of 20 – 24

C Division quotas of 19 or lower

The SSGOA Board strongly encourages you to play in the Division for your quota. You can move up one Division if you are within 2 of the cutoff and your partner agrees to it. Remember, if you play up a Division, you will be always be giving up shots to the entire field and most likely, will not be competitive.
